Outreach Toolkit

U.S. Department of Veterans Affairs
Office of Mental Health and Suicide Prevention

Overview

Signed into law in 2020, the National Suicide Hotline Designation Act authorized 988 as the new three-digit number for the National Suicide Prevention Lifeline (Lifeline). Because the U.S. Department of Veterans Affairs (VA) administers the Veterans Crisis Line through the Lifeline's national network, the Veterans Crisis Line was affected by this transition.

VA is leading the comprehensive communications initiative to inform stakeholders about [Dial 988 then Press 1](#). The resources throughout this toolkit will help guide you in starting to clearly communicate about the 988 transition to your audiences.

Although there is a new number, Veterans will still be able to call [1-800-273-8255](tel:1-800-273-8255) and [Press 1](#) to connect with responders. The Veterans Crisis Line will also still be available by chat (VeteransCrisisLine.net/Chat) and text ([838255](tel:838255)).

Thank you for helping to spread the word that everyone has a role to play in preventing Veteran suicide.

Talking Points About Dial 988 then Press 1

Use these talking points to guide discussions about Dial 988 then Press 1.

Dial 988 then Press 1 Background

- On July 16, 2022, the Veterans Crisis Line will have a new number: **Dial 988 then Press 1**.
- This change is the result of the National Suicide Hotline Designation Act of 2020, which requires all telephone service providers in the U.S. to activate 988 by July 16, 2022, for the National Suicide Prevention Lifeline (Lifeline).

- Because VA administers the Veterans Crisis Line through the Lifeline’s national network, the Veterans Crisis Line is affected by this transition.

Dial 988 then Press 1 and the Veterans Crisis Line

- The new, shorter number directly addresses the need for ease of access and clarity in times of crisis, both for Veterans and non-Veterans alike.
- Though the number is changing, the Veterans Crisis Line dedicated service is still the same.
- To reach the Veterans Crisis Line, Veterans will still Press 1 after dialing 988 to connect with qualified, caring responders.
- To help Veterans access support, VA has been preparing for this change since the inception of the legislation.
- The Veterans Crisis Line is available 24/7, 365 days a year to provide confidential crisis support to Veterans and their loved ones.
- The Veterans Crisis Line text number is not changing. Veterans can text [838255](tel:838255) to reach responders.
- For Veterans overseas, the 800 number will still remain active after the 988 launch. They may also contact responders via chat at VeteransCrisisLine.net/Chat. If the Veteran prefers a phone call, they can request this within the chat venue. A Veterans Crisis Line responder will call them at the number they provide at no charge to the Veteran.
- After activation, Veterans will still be able to call [1-800-273-8255](tel:1-800-273-8255) and [Press 1](tel:988), chat at VeteransCrisisLine.net/Chat, and text [838255](tel:838255) to reach responders.
